APRIL GENERAL MEETING: April 14, 1986
7 P.M.
Hungry Fisherman - Sycamore View & 140

Don't miss this one!!! It's a chance to put the top down and visit with your British car friends. Randy will update us on the progress of the Annual Car Show. Also, he will be looking for a newly approved club officer - Technical Session Coordinator. Please volunteer if you can fill this position or volunteer someone who can.

MARCH GENERAL MEETING was a great HOMECOMING '86. The room was full of enthusiastic British car people. We all want to send a special "THANKS" to Larry Franks and Rex Brasher for putting together the special slide show of club activities and to George Callow for his extraordinary display of club archives. Also, thanks to Rex for giving the club's wooden sign a facelift.

MARCH AUSTIN HEALEY EVENT was a big CLEAN success. Our Austin Healey Marque Leader Bobby Hadskey did a great job on organizing the car cleanup. Charlie Roberts' place of business was the site for steam cleaning and fish frying. While Thom Anderson was most helpful in going out and catching all that fish, Janis Anderson, Charlie Roberts and George Callow were the best cooks around - I guarantee.

APRIL FOOLS RALLY!!! Yes, we did it again - we will observe April Fools' Day on our unique calendar April 13. If you're new to the BSCC, you won't want to miss this FOOLISH event. If you've entered this fun rally before... you know you're in for a GREAT time. Don't forget Sunday, April 13; 1:00 P.M. at Scruples parking lot (across from the Hyatt Hotel). Rain or shine - tops optional. Minimum one couple per car so bring the family.

We anticipate the participation of the following special personalities: Mike Donahue, Sports writer for the Commercial Appeal, Steve Butler from WRVR, Craig Mauer, newsman from Channel 13, Johnnie Dark, weatherman from Channel 3 and a representative from Channel 5.

For more foolish information call Skip or Vicki Padgett at 755-9010.

WE NEED YOUR CAR - WHBQ Radio has asked our help with a display of about twelve British cars on April 26. They will be displayed on Brookhaven Circle. Randy will give more details on this Monday night. Or, you can contact him at 683-4561 for information.

ON THE PLUS SIDE we have had a 1975 MGB contributed for the car raffle. We hope to have it ready to take to Brookhaven Circle. If you can help with this project please call Randy.

HOW SWEET IT IS for some, that is. Reluctantly Bobby and Kittie Hadskey and Doris Roberts returned from several weeks in Merry Old England. Doris went home to visit relatives and stayed and stayed. Doris, we want you to know Charlie had his office squeaky clean. In fact, most of us ate off the floor. I understand that Kittie dropped hints all during their trip to Bobby regarding Jaguars only to return and find that her friend Emily Minor had acquired one. Don't worry Kittie. We all know Bobby has plans to surprise you soon. Glad you had a great trip folks but we're gladder to have you back.
