

GENERAL MEETING:

MONDAY, JULY 14, 1986 - 7:00 P.M. - Pancho's Restaurant
Pancho's Restaurant is our new location for general membership
meetings, and is located in the Cloverleaf Shopping Center at
Summer Avenue and I-240.

GENERAL MEETING INFORMATION: We have a full schedule, so please attend so you won't miss out on anything. Want your heart warmed? Our July program will do it. We'll have a video tape of the Variety Childrens' Hospitals and The Limb Bank at work. This is a very worthwhile charity, and our contributions make a difference.

We'll also be electing a new President. Nominations will be accepted from the floor, and the election will follow immediately. Larry Franks, who as Vice President has ably filled in as President these past two months, and was nominated for President, has respectfully declined the nomination and will remain in the Vice Presidential post. Thanks to Larry for being there when we needed him, and congratulations on a job well done!

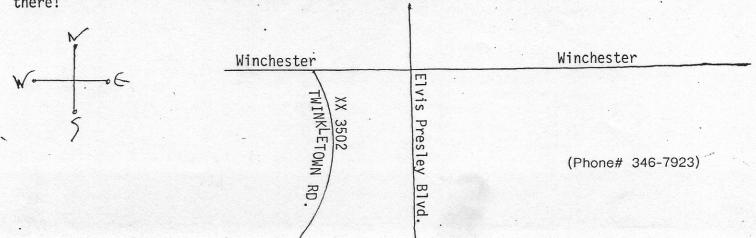

PLEASE MAKE EVERY EFFORT TO ATTEND - WE NEED YOU!

<u>WIN THIS CAR</u>: You'll be seeing those words a lot between now and October. They're in the center of the beautiful SPONSOR BOARD designed, constructed and donated by Lamar McQuirter. The board is portable and can be carried easily to sites where we'll be displaying our raffle car and selling tickets. There is plenty of room to display our sponsors' names and logos, and we can use the board year after year! Lamar, we didn't know you were so talented. Thanks for coming up with just what we needed.

Speaking of tickets, they're in - all 30,000 of them. Last year, we sold our first chance late in August, so we're already ahead of the game, having already been to two (2) events (The Classic Chevy Show and July 4th on the River). Please call George Callow at home (274-4412) or at work (725-6400) and reserve your tickets. Take as many as you think you can sell. Tickets will be available at the meeting Monday night. As you all know, the Variety Club members help us each year in this department, and they also help us man the raffle booth at the various events in which we participate. Thanks to all Variety Club members! REMEMBER, PROCEEDS GO TO HELP CHILDREN.

SPEAKING OF THE CAR: Have you seen it? It's beautiful. The following members have made all of this possible by giving generously of their time and talents (which are considerable), and they've DONATED all their work! Please accept our heart felt thanks.

NEWCOMERS WELCOME PARTY: August 2, 1986 - 7:00 P.M. will be the date and time of a new event. In weather like this, there are only two places to be: 1) inside in the air conditioning 2) out by the pool. Nina and Lamar McQuirter have both, and they will graciously host the Jaguar event by welcoming all new members signed up since January 1, 1986 at a special welcome pool party. The club will furnish the hamburgers and hot dogs. Please bring your favorite salad or dessert to complete the meal and yourselves to complete the party. Special guests will be all new members, and any prospective members you might want to get involved. The address is 3502 Twinkletown Road. (Please see map.) We'll see you there!

<u>CONGRATULATIONS TO ONE OF OUR OWN</u>: Jimmy Jones took FIRST PLACE honors at the Petti Jean Car Show with his 1951 MGTD. And deservingly so! Congratulations, Jimmy, we're sure no one even came close.

MOTHER COUNTRY: TRAVEL LOG - George Callow's mother and niece, Bette and Jessica Callow, enjoyed a visit with Doris Roberts' brother and family during a June holiday in England. Clive, Ros, and their boys Darren and Steven showed the visitors where Charlie's car used to break down (some things never change) and all the other sights of Gloucester. Motoring through villages of the Cotswolds to Stratford-upon-Avon with the Etheridges was a special treat for the visitors.
