We'll also be electing our new officers for the upcoming year. Please support our club by coming to vote. We need your support at meetings and club events.

1986 ANNUAL BRITISH CAR FEST - Everyone must agree that our 1986 Annual British Car Fest was the biggest and best ever! We covered Mud Island with British cars and picked up almost 20 new members. We had Chips Moman, a great Honorary Chairman, and got a lot of great publicity thanks to Auto/Truck Exchange, Memphis Magazine, and Channels 3 and 13. Who knows, maybe next year, our local newspaper might pick up on it. We raised a lot of money for children through our very worthwhile charity, and we had a spectacular time! And it couldn't have been done without you. More specific thanks will be given in the **Commemorative Program**, but we'd like to give special recognition to all of the sponsors, raffle car donors, door prize donors, Mud Island, judges, tabulators, committees, workers and participants, both local and out of town. Everyone added their own special touch to the Fest, and the finished product was extraordinary.

SPEAKING OF THE COMMEMORATIVE PROGRAM - It will be out soon, and will be a collectors item. Our hats are off to George Petech and Auto/Truck Exchange for the production of this very special publication. It will contain a complete list of donors and sponsors as well as a listing of all winners and lots of pictures. Be sure to reserve your copy.
