## From the Editor.....

In an effort to save the club some money, I am asking for everyone who has an email address to send it to me so that I can email the newsletter to you instead of mailing so many out. The cost of mailing and printing the newsletter has gone up as of January and we are trying to cut down on the amount we currently mail out, therefore cutting down expenses. We do realize that not everyone has email or just prefers having it sent to them, and that can be done for anyone as well. Let me know your preference. See you at the next meeting. Always be safe!

## ***DUES DUES DUES DUES DUES***

It's that time again. The yearly club dues are due now for the year 2006. The dues are \$ 25.00 and can be paid at any meeting to any officer, or you may mail them to our post office box listed below. **There will *not* be an invoice sent to you for the dues.** We trust everyone will send in their dues quickly. Also, if you didn't pay your 2005 dues, please do so at this time.

## THE LIGHTER SIDE

### Age Difference

A college student at a recent UT football game challenged a senior citizen sitting next to him, saying it was impossible for their generation to understand his.

"You grew up in a different world," the student said, loud enough for everyone

around them to hear. "Today we have television, satellite positioning, jet planes, and space travel; men have walked on the moon; our spaceships have visited Mars; and we even have nuclear energy, electric and hydrogen cars, cell phones, and computers with high-speed processing."

Taking advantage of a pause in the student's litany, the old geezer said, "You're right. We didn't have these things when we were young, so we invented them, you little twit. What are you doing for the next generation?"

## THE BLONDE AND THE LORD

A blonde wanted to go ice fishing. She'd seen many books on the subject and finally getting all the necessary tools together, she made for the ice.

After positioning her comfy footstool, she started to make a circular cut in the ice. Suddenly, from the sky, a voice boomed,

"THERE ARE NO FISH UNDER THE ICE."

Startled, the blonde moved further down the ice, poured a thermos of cappuccino, and began to cut yet another hole. Again from the heavens the voice bellowed,

"THERE ARE NO FISH UNDER THE ICE."

The blonde, now worried, moved away, clear down to the opposite end of the ice. She set up her stool once more! and tried again to cut her hole. The voice came once more, "THERE ARE NO FISH UNDER THE ICE."

She stopped, looked skyward, and said, "IS THAT YOU LORD?"

The voice replied, "NO, THIS IS THE MANAGER OF THE HOCKEY BINK!"

### Top 12 Things NOT to say to a Cop.

1. I can't reach my license unless you hold my beer. (OK in Texas)
2. Sorry, Officer, I didn't realize my radar detector wasn't plugged in.
3. Aren't you the guy from the Village People?
4. Hey, you must have been goin' about 125 mph to keep up with me. Good job!
5. Are You Andy or Barney?
6. I thought you had to be in surprisingly good physical condition to be a police officer.
7. You're not gonna check the trunk, are you?
8. I pay your salary!
9. Gee, Officer! That's terrific. The last officer only gave me a warning, too!
10. Do you know why you pulled me over? Okay, just so one of us does.
11. I was trying to keep up with traffic. Yes, I know there are no other cars around. That's how far ahead of me they are.
12. When the Officers says "Gee Son.... Your eyes look red, have you been drinking?" You probably shouldn't respond with, "Gee Officer your eyes look glazed, have you been eating doughnuts?"
