From the Editor.....

I hope everyone is staying cool as the weather is getting hotter each day. It is important to drink lots of fluids and to stay out of the direct sun as much as possible. We want everyone to stay healthy this summer. Although I wasn't able to attend the latest club event, I am proud to say that we had an excellent turn out. Thanks so much to the Coleman's for their hospitality and to Jim Hofer for the good food. Keep those emails coming. And always be safe!

Carole

Club Meeting Info

Monthly Club Meeting

Our monthly club membership meeting is held the third Monday of each month. We meet at Colletta's Italian Restaurant on Appling Rd and Hwy 64. The meeting starts at 6:30 P.M. Everyone is encouraged to attend. June's meeting will be held on June 20, 2005.

May - Austin Healy Clean-up Event

For this event, we had one of the best turnouts in recent months as many BSCC members enjoyed the hospitality of the Coleman's, and the cooking expertise of Jim Hofer! Although many members attended, only a handful of British cars were present - mostly due to the unfavorable weather forecast. As it turned out, it was a beautiful day! Traditionally, this event has been the Healey Clean Up event, and David Kiehna kept that tradition alive by being the only person to actually wash a car...

"Sharon's Corner"

Eight of us were at the May Ladies Luncheon at Amerigo's. We enjoyed different salads and lunch specials. The food was wonderful. White tablecloths and an attentive waiter made it an excellent experience. Dining was Mary Lessman, Lisa Balton, Tammy Gold, Sylvia Rose, MaryAnn Coleman, Bunny Hofer and your lunch planner, me, Sharon Duke.

We are going to a new place in June, Mama Fu's on Poplar at Massey. We will meet at 11:30 on the last Wednesday of the month and try Asian style cuisine in a casual atmosphere.

The Lighter Side

Mad Wife Disease.....

A guy was sitting quietly reading his paper when his wife walked up behind him and whacked him on the head with a magazine. "What was that for?" he asked. "That was for the piece of paper in your pants pocket with the name Laura Lou written on it," she replied. "Two weeks ago when I went to the races, Laura Lou was the name of one of the horses I bet on," he explained. "Oh honey, I'm sorry," she said. "I should have known there was a good explanation. Three days later he was watching a ballgame on TV when she walked up and hit him in the head again, this time with the iron skillet, which knocked him out cold. When he came to, he asked, "What the hell was that for?" She replied, "Your horse called."

Part 4: What does MOWOG stand for?

Have you ever had your car in for a minor Tune-up and when you got it back, the turn signals no longer worked? The mechanic, of course, claims that they didn't get anywhere near the electrics and that it must be a "coincidence". Thank your little furry friends for that one. They had a special liking for Lucas equipment and did a nasty number on that company's reputation in short order.

This is part four of a continuing story of 9 parts.

Exotic, fast, mouth-watering Italian sports cars - Ferraris, Lamborghinis, Maseratis and Alfa Romeos - on the Pink Palace front lawn! What better way to enjoy Father's Day weekend than a Saturday with gorgeous, expensive cars?

The cars' owners will periodically start up the engines so you can hear the "marvelous music" of Italian horsepower.
